

WORLDS XIX[©] “Tentative” Contest Schedule

CONTEST REGISTRATION DEADLINE: NOVEMBER 15TH, 2010

TENTATIVE SCHEDULE: The UCWDC[®] cordially invites everyone to come and enjoy a full week of dance activities and entertainment from Monday, Jan. 3rd to Sunday, Jan. 9th. Please refer to the projected schedule below realizing that it is ‘tentative’. Knowing your need to plan for your travel and accommodations, note that the dates for specific divisions may change (one day before to one day after) and are subject to efficiently scheduling session sizes and session compatibility. Exact times cannot be given until contest numbers are known after contest registration closes November 15th, 2010. Also, we have no way of knowing whether your division’s start time could be a.m. or p.m. on any particular day. Please make your plans accordingly.

Remember, early room discounts are available at Opryland Hotel, Nashville, providing your reservation is received by June 15th, 2010. A final confirmed schedule of all activities will be posted to the Worlds XIX[©] web site in December, after each division’s final registration numbers have been compiled and all sessions scheduled.
