

WORLDS XVII[©] “Tentative” Contest Schedule

CONTEST REGISTRATION DEADLINE: NOVEMBER 17TH, 2008

TENTATIVE SCHEDULE: The UCWDC[®] recommends and invites everyone to come and enjoy a full week of dance activities and entertainment from Monday, Dec. 29th to Sunday, Jan. 4th, including a celebration of New Year’s Eve at Disney World. You may extend your hotel stay at great discounted rates for five days prior to five days later, subject to availability, *so please do it soon enough*. The hotel will definitely sell out long before the event starts, and an added difficulty will be that flights will be much more difficult to get!

Before planning your travel and accommodations, please refer to this projected *tentative* schedule. Please note that the dates for specific divisions may change within the range below: ProAm and ProPro (except for ProAm Grand Championships) will occur on Monday through Wednesday. Line Dance will occur on Thursday through Saturday. Couples will occur on Friday through Sunday. Please make your plans accordingly.

Remember, early room discounts are available at Disney’s Coronado Springs Hotel, Orlando, providing your reservation is received by June 1st, 2008. A final confirmed schedule of all activities will be posted to the Worlds XVII[©] web site in December, after each division’s final registration numbers have been compiled and scheduled.
